WORK EXPERIENCE

American Uzbek Association – remote USA — Sept 2026 – Present

Software Engineering Intern

• Develop new features for the nonprofit's website by editing and adding Rishta Fellows information on the website.

ALONG - Dubai, UAE — Feb 2026 – May 2026

Software & Operations Intern

- Enhanced the startup's website by designing new pages, refining the user interface, and expanding product and brand content to in-person pop-ups.

PROJECT EXPERIENCE

Monatt A Clothing Brand — May 2026 – Present

Founder & CEO

- Founded an Uzbek American streetwear brand and grew it to 200+ orders across 10 countries with over 1 million organic views from a content-led campaign.

Blackjack Ad-Revenue Web app — September 2026 – Present

Team Lead https://github.com/mushtariy0809/cs-482-black-jack.git

- Lead a 3-person team building a full-stack blackjack web app with client-specified ad placements (React, JavaScript, MongoDB, AWS Amplify), turning requirements into tasks and running meetings and the Git workflow.

Investment Research Evidence — July 2026

AI agent https://github.com/mushtariy0809/investment-research-evidence-agent

- Built a full-stack, multi-agent research platform using Python, FastAPI, React, TypeScript, and SQLAlchemy to retrieve and analyze public SEC 10-K and 10-Q filings.
- Implemented human approval controls, a tamper-evident audit trail, 42 automated tests, and a 12-question evaluation system to measure citation accuracy and research reliability.

LEADERSHIP & ORGANIZATIONS

Amazon Web Services, *Campus Ambassador* Sept 2026 – Nov 2026

- Selected to introduce AWS resources to Loyola students through technical workshops, presentations, campus tabling, and social media outreach.

World Trade Center Institute, *Albrecht Fellow* August 2026

- Completed an intensive two-week fellowship featuring client consulting, professional workshops, and executive speaker sessions focused on global business, leadership, and entrepreneurship.

Middle Eastern and South Asian Alliance, *PR Coordinator* Sept 2024 – Dec 2025

- Managed event promotion by designing digital flyers, writing social media captions, and sharing cultural and educational programming across campus channels.
